

MARCS ECOMM 20 Statewide Emergency Talk Group SOP
State of Ohio
Standards, Protocols, Procedures

I. Purpose/Objectives

Establish ECOMM 20 as the statewide MARCS emergency talkgroup.

II. Operational Context

ECOMM 20 shall be used by the State Government as the emergency talkgroup for statewide broadcast announcements to Ohio Public Safety Agencies and other agencies (Federal, State, regional, etc.).

III. Recommended Protocol/Standard

In the event of a major emergency, all Ohio Public Safety Agencies and other responding on-scene agencies should monitor ECOMM 20, as directed for State Government broadcast announcements.
